March 17, 2020

Greetings Parents and Happy St. Patrick's Day,

The faculty, staff, and I have been working hard to provide meaningful resources and learning links for you to use at home with your children. We know nothing can replace the classroom teacher and the experiences your child receives during the school day, however with the health concerns of the Coronavirus; we must find the next best thing at this time.

This first week will only consist of resources that we offer to you via our school website. More decisions with regards to school closure are pending further direction from Governor Burgum, which we will have by the end of the week. If the school closure continues, more specific learning methods will be communicated. Be assured that if the school closure continues, your child(ren) will be able to work from home without their school textbooks. Thus, school access for our elementary students is unnecessary at this time.

As I mentioned above, our school website (<https://trinitycatholicschools.com/>) is the most important way for you to stay up-to-date on the latest news and online learning for you and your children. I encourage you to check this daily.

The following will help guide you in navigating the webpage:

1. Go to the home page (<https://trinitycatholicschools.com/>)
2. On the homepage banner under "Please Note! COVID-19 Updates and Information" click on the red box "Click Here Now".
3. Then click on the heading, on the left menu bar of the COVID-19 page, "Preschool – Grade 6"
4. This leads you to all resources as we send them out. You will find the following as of today.
 - a. Daily home schedule
 - b. List of websites and resources
 - c. Physical education activities
 - d. How to talk to kids about Coronavirus

Remember it is important to stay calm and make the best out of every situation that comes our way. God is the one thing that needs to be first and constant in our daily lives. Trusting in Him is what will help us get through the unknown. Please know of my daily prayers for all of our Titan families!

Sincerely,

JoLyn Tessier, Trinity Elementary School Principal
